

**PHILADELPHIA INSURANCE COMPANIES
DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE REJECTION
OPTION**

We, as an insurance company, are required under the new Federal Terrorism Risk Insurance Act of 2002, to offer certified “acts of terrorism” coverage to all of our prospective policyholders at time of purchase and to all our current policyholders at renewal. The Act requires the Federal Government to pay 90 percent of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The premium set forth does not include any charges for the portion of loss covered by the Federal Government under the Act.

Section 102(1) defines an act of terrorism for purposes of the Act. Section 102(1)(A) states, “The term “act of terrorism” means any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State, and the Attorney General of the United States- (i) to be an act of terrorism; (ii) to be a violent act or an act that is dangerous to – (I) human life; (II) property; or (III) infrastructure; (iii) to have resulted in damage within the United States, or outside the United States in the case of – (I) an air carrier or vessel described in paragraph (5) (B); or (II) the premises of a United States mission; and (iv) to have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest, as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.” Section 102(1)(B) states, “No act shall be certified by the Secretary as an act of terrorism if – (i) the act is committed as part of the course of a war declared by the Congress, except that this clause shall not apply with respect to any coverage for workers’ compensation; or (ii) property and casualty insurance losses resulting from the act, in the aggregate, do not exceed \$5,000,000.” Section 102(1)(C) and (D) specify that the determinations are final and not subject to judicial review and that the Secretary of the Treasury cannot delegate the determination to anyone.

Your attached proposal (or policy) includes a charge for terrorism. We will issue (or have issued) your policy with terrorism coverage unless you decline by placing an “X” in the box below.

NOTE 1: If “included” is shown on your proposal (or policy) for terrorism you WILL NOT have the option to reject the coverage.

NOTE 2: You will want to check with entities that have an interest in your organization as they may require that you maintain terrorism coverage. (i.e. mortgagees)

EXCEPTION: If you have property coverage on your policy, the following Standard Fire Policy states do not permit an Insured to reject fire ensuing from terrorism: AZ, CA, CT, GA, HI, ID, IL, IA, LA, ME, MA, MI, MN, MO, NE, NH, NJ, NY, NC, ND, OK, OR, PA, RI, VA, WA, WV, WI. Therefore, if you are domiciled in the above states and reject terrorism coverage, you will still be charged for fire ensuing from terrorism as separately designated on your proposal.

	I decline to purchase terrorism coverage. I understand that I will have no coverage for losses arising from ‘certified’ acts of terrorism, EXCEPT as noted above.

You, as the Insured, have 30 days after receipt of this notice to consider the selection/rejection of “terrorism” coverage. After this 30 day period, any request for selection or rejection of terrorism coverage WILL NOT be honored.

REQUIRED IN GA – LIMITATION ON PAYMENT OF TERRORISM LOSSES (applies to policies which cover terrorism losses insured under the federal program, including those which only cover fire losses)
The provisions of the Terrorism Risk Insurance Act of 2002 can limit our maximum liability for payment of losses from certified acts of terrorism. That determination will be based on a formula set forth in the law involving the national total of federally insured terrorism losses in an annual period and individual insurer participation in payment of such losses. If one or more certified acts of terrorism in an annual period causes the maximum liability for payment of losses from certified acts of terrorism to be reached, and we have satisfied our required level of payments under the law, then we will not pay for the portion of such losses above that maximum. However, that is subject to possible change at that time, as Congress may, under the Act, determine that payments above the cap will be made.
