**Philadelphia Insurance Companies Wins Top Workplace Honor**  
*PHLY Named #2 Employer in Large P/C Category*

**Bala Cynwyd, PA, October 4, 2010** - Philadelphia Insurance Companies (PHLY) ranks as one of the Best Places to Work in the insurance industry, according to an evaluation by Business Insurance and Best Companies Group. PHLY receives this honor for earning high marks in evaluation of its leadership, employee benefits, work environment, and company culture.

"We are greatly appreciative of this honor and believe it serves as a testament to our winning culture," said Chairman & CEO Jamie Maguire. "At PHLY we believe in recruiting the best, cultivating our talent through focused training and development, and providing our employees with the best resources and benefits to help them find balance both inside and outside the workplace."

PHLY is recognized as the number two employer in the Large Property and Casualty Insurers category. This is the second employment honor this year for PHLY, after being named one of the 2010 Top Places to Work by the Philadelphia Inquirer. Philadelphia Insurance was named a finalist for the Best Places to Work in Insurance list back in August. The list of the top places to work in the insurance industry was determined by an employee and company survey. 75% of the analysis was based on a survey of employees and 25% was based on a survey of the companies.
