

PHLY Insurance Inspiring Athlete of the Month

Rajesh Durbal was born with a congenital deformity of both lower legs and his right arm. When he was one year old, both his legs were amputated below the knee. In addition he had surgery to replace bones in each leg and in his partial right arm.

Something was missing; Rajesh knew there was more to life. He knew that he could do more with the gifts he was given. With prayer and faith he decided to do something that he feared and thought he could never do; a triathlon. Only until later did he realize that no other triple amputee has ever attempted this challenge.

Rajesh's long term goals are to compete in all of the Life Time Fitness Race to the Toyota Cup Series events and the Para Triathlon Championship. Most of all he wants to spread awareness that we all can live amazing lives filled with meaning and purpose by his mantra "LIVE FREE."
