Bala Cynwyd, PA, August 3, 2010 - Philadelphia Insurance Companies (PHLY) is one of the Best Places to Work in Insurance according to Business Insurance and Best Companies Group. This is the second employment honor this year for PHLY, after being named one of the 2010 Top Places to Work by the Philadelphia Inquirer.

"We are extremely proud to be recognized as one of the best employers in the insurance industry," said Chairman & CEO Jamie Maguire. "The insurance industry is a people business and I believe that by providing the best tools & resources, comprehensive compensation & benefits, and an exciting and challenging work environment, individuals can achieve their full potential both inside & outside the office."

The list of the top places to work in the insurance industry was determined by an employee and company survey. 75% of the analysis was based on a survey of employees and 25% was based on a survey of the companies. A ranking of the 54 finalists will be unveiled on October 4th by Business Insurance.
