FLOOD PROGRAM

Unlike other Philadelphia products, our Flood program has a specialized team of claim representatives to serve our Flood customers in the event of a loss. This includes a separate toll free contact number and electronic claim submission process for agents.

To submit a flood claim:

Log on to the internet Flood portal that is used for quoting and customer service, and select **Report a Claim**. Complete the information required to report a claim electronically.

You can also report a claim by calling toll free:
